

## Feed The Hungry

Each year at Christmas our wonderful children and families support Feed the Hungry. We collect Kindness Kits to help people who are in need. Our Kindness Kits have helped share the hope that comes through Jesus Christ.

St Albans Church and St Albans C of E Academy working in partnership.

## Community Litter Pick

Our worship councillors, Rota Kids along with St Albans church worked together to improve the cleanliness of our community and make a positive difference to our community. Everyone worked collaboratively to look after God's Creation.

## Carols by Candlelight

At Christmas our school, families and local community celebrated this very special time at our local St Albans Church. Our choir sang wonderful songs, all year groups were involved in narrating the Nativity Story. Children shared their reflection and prayers about Christmas and the importance of it. Parents were invited to an evening of

Carols by Candlelight at St Albans C of E church. This included performances by the children at school, accompanied by live musicians, and a sharing of The Christmas Story. It was wonderful to see the church so busy and the event popular amongst the community. Reverend Tom led us in prayer at the end of the performance, before sending well wishes to all our families at Christmas time.

## Our School Ukrainian Bear

Our school Ukrainian Bear reflects how our school and community are thinking about all the people in Ukraine and from Ukraine. Our worship councillors came up with the idea of the school bear to express the feelings of our school and community about the war in Ukraine.

## Children In Need

Worship council held a raffle for Children in Need. Our school raised money for disadvantaged children and young people across the UK. We supported Children in Need with the hope to improve the lives of thousands of children so that we can support all children to flourish in life. We wanted to help Children in Need fulfil their aim of ensuring children in the UK are safe, happy and secure.

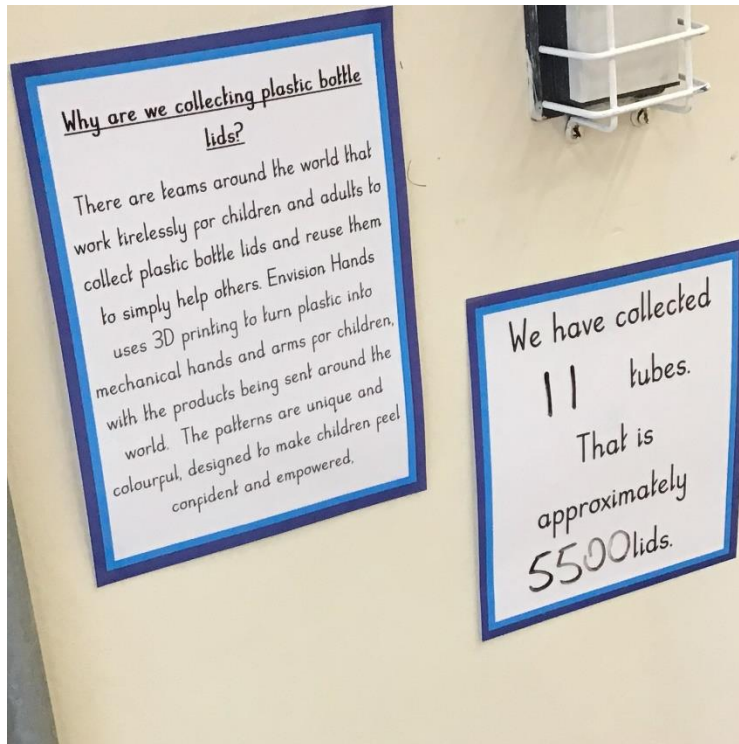

## Poppy Appeal

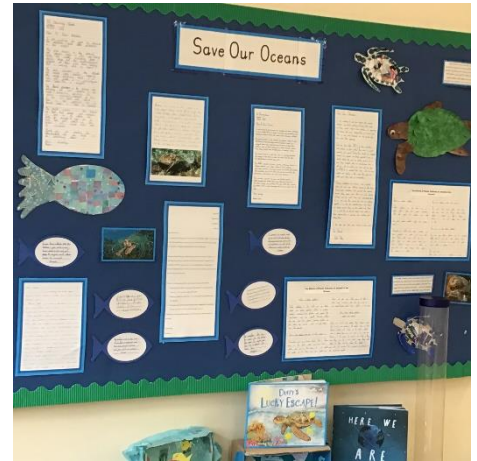

St Albans Remembers. We held a one minute of stillness and reflection to remember the aftermath of the First World War. Our worship councillors were at heart of collecting donations from our school community to support the Royal British Legion.

# Envision Hands

Through our Enrichment Week as a whole school we looked how we can help look after God's wonderful creation and be champion advocates. We looked at how we could keep our oceans free from litter.

# Harvest Time

We collected food for those in need in our local community.  
Our children were fantastic courageous advocates helping  
others.
