Our School Expectations

Across school we have introduced four key expectations that children aim to achieve everyday:

Ready
Respectful
Thoughtful
Considerate

School day timings

Our school gates open at ~~8.45am~~ and are locked at ~~9.00am~~. We strongly encourage our children to arrive at school on time as our "Early Morning Learning" time is an extremely important time where children can recap on prior learning and practice key skills before starting the day.

Pupil Data recorded

Are the records we hold for your child/children up to date?

Have you:

- Moved house?
- Changed your job?
- Changed telephone numbers?
- Changed family circumstances?
- Changed medical practice?

If these or any other personal details have changed, please remember to notify the school office. It is essential that this information is accurate in order to make contact should we need to.

Uniform

A polite reminder that children should be in full school uniform, this includes the appropriate footwear. Children are able to wear black trainers as long as they have black soles and no big logos on. Girls should also wear suitable footwear to school which excludes ankle boots.

After School Clubs

After school clubs have started off extremely well and children seem to be thoroughly enjoying them. If your child would like to attend a club, please contact the school office to confirm availability.
