4th January 2021

Dear Parents/Carers,

Good evening,

As I am sure you can appreciate, the news that schools have got to move to remote learning from tomorrow, has only just been shared with both the public and ourselves. ~~In light of this, school will be closed tomorrow to all pupils to allow for staff to finalise remote learning plans.~~

School will reopen, as per the government directive, for Vulnerable Children and those of Critical Workers on Wednesday 6th January 2021. If you are in the Critical Worker category, please ensure you have completed the form that was sent via ParentMail earlier today ASAP to support us in the organisation of our provision. We are aware of our vulnerable children and will contact them directly.

All children can access Microsoft Teams, using their logins that have previously been sent out, where their learning for the week has already been uploaded. Tomorrow, staff will prepare video tutorials to go alongside the learning ready for Wednesday which will support parents and carers at home with the children's learning. More information will follow tomorrow regarding our remote learning approach.

Again, we thank you for your continued support during this unprecedented time.

Yours sincerely

A handwritten signature in black ink, appearing to read "D Jones".
