

Safeguarding

Do you need to speak to somebody in school?

Are you worried about something that is happening at home or in school?

Act now, and share your worries.

Our promise to you

We will listen!

We will support!

We will take action!

If you speak to a grown up, sometimes they will need to check things with your DSL and then if they can deal with the issue themselves, they will. Please try and understand that staff and the DSL will only want to help you and make you feel supported and better about **the situation**. There are times though when they may need to contact some other agencies for support. These may be Children's Social Care (Social Workers) or Police.
