Kindness Kits

We are so grateful for the kindness kits that were donated by children and their families: the Feed the Hungry Charity were blown away by your generosity when they came to collect them.

We received an email from them which read:

It was lovely to visit your school this week and I just wanted to write to say a huge thank you for the Kindness Kits that were packed by the children. I have found it such a blessing to see what the different schools have provided and I know that these will be a great delight to the children who will receive them in Lebanon.

It has been great partnering with you and I do hope that this can continue in the future.

Take care all and have a wonderful Christmas break.

Nativities and Christmas performances

A big well done to every class that took part in their very own Christmas performance. The children were all so proud to stand at the front and sing and perform in front of their parents and carers. We thank you all for maintaining social distancing and respecting the measures put in place.

After school clubs

After school clubs will resume in the spring term - the week beginning 10th January 2022.
