

Summer 1: Friday 17<sup>th</sup> June 2022

## Geography Focus

Since returning from half term, we have been having a geography focus across school. Children have been demonstrating fantastic effort in developing their geographical skills as well as some fantastic effort within home learning projects that some classes have produced.

## St Alban's Fest

On Friday 15<sup>th</sup> July, we will be holding our very first St Alban's Fest! We are very excited to open school up to share music, stalls and much more. More details will be released over the coming weeks. Please keep an eye out via the newsletters and MCAS.

## The Queen's Platinum Jubilee

A humungous thank you for all of your donations for the Jubilee Picnic in the Park: it was clear to see so much fun was had by all and it was lovely to see our families coming together to celebrate this very special occasion.

As a school, we raised £500.30! This money will be spent within school on resources for the children: we will be asking our prefects and other members of school groups to support with the decisions around what to spend the money on. Thank you again!
