Monday 1st May - May Day Bank Holiday

Monday 29th May 2023 to Friday 2nd June 2023 – Half Term Break

Dear Parents and Carers,

We've certainly had a very busy couple of weeks. As you know we welcomed the Ofsted inspectors into school last week. The staff have been working incredibly hard in making positive improvements to the school and we are looking forward to sharing the report with you once it has been published. Thank you to everyone who completed the questionnaires, your views are important.

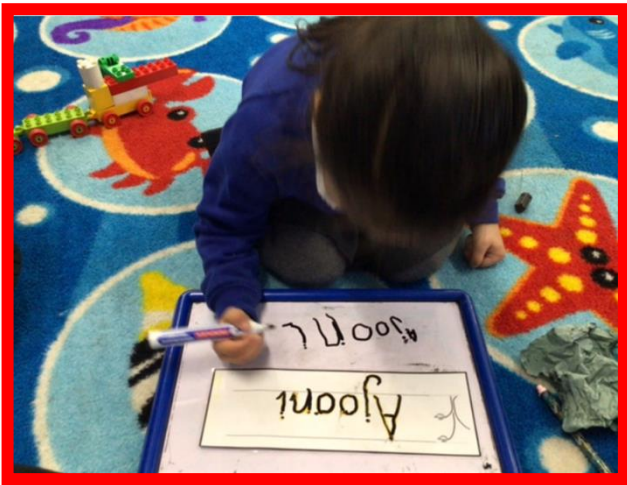

The children were very excited about the snow this week. It was great seeing them having so much fun. We started lessons a little later so they could have the chance to enjoy it! I would like to thank our caretaker for getting up so early to clear paths and make the school safe for us. Teachers also helped as soon as they arrived. We have a great team here!

I'm delighted to be getting to know the children. It's been a joy welcoming the children into my office when they are proud of their work. I love seeing their beaming smiles! Thank you also to the parents who came to our coffee morning this week and I hope we can welcome more next time.

Mrs Joanne Robinson

Safeguarding: If you have any safeguarding concerns, you can contact MASH on: 01902 555392 (9am –5pm). Out of office hours contact the emergency duty team on 01902 552999 or in an emergency call 999. Alternatively, you can call Child Line on 0800 1111 or email them by visiting www.childline.org. However, please feel free to come and speak to either Mrs Robinson, Mrs Abbiss, or Mrs Headland. We will always listen and try to help.

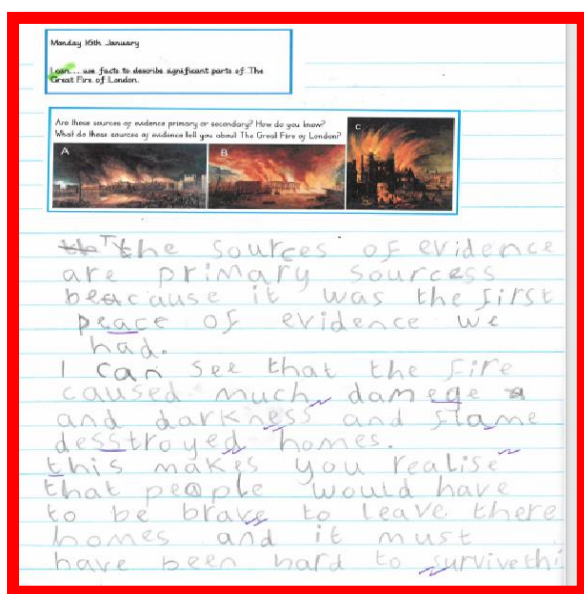

We are very proud of our children and how hard they work and persevere. Please enjoy looking at their work and celebrating their achievements!

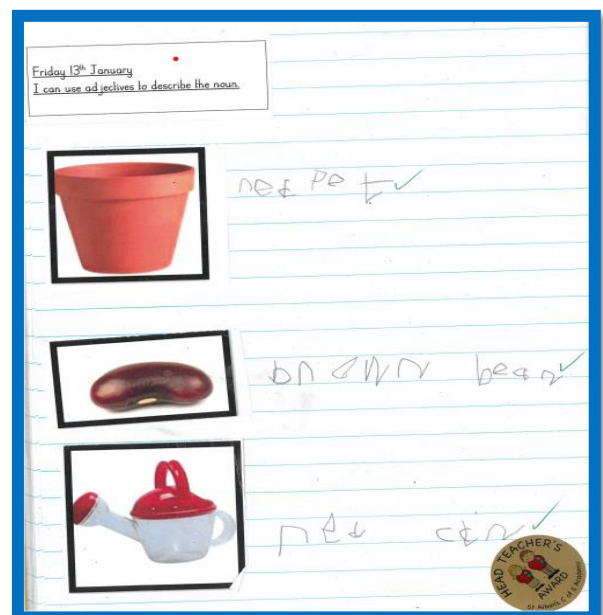

Nursey: This week Ajooni has been showing our perseverance value by learning to write her name. She is becoming very independent in her name writing!

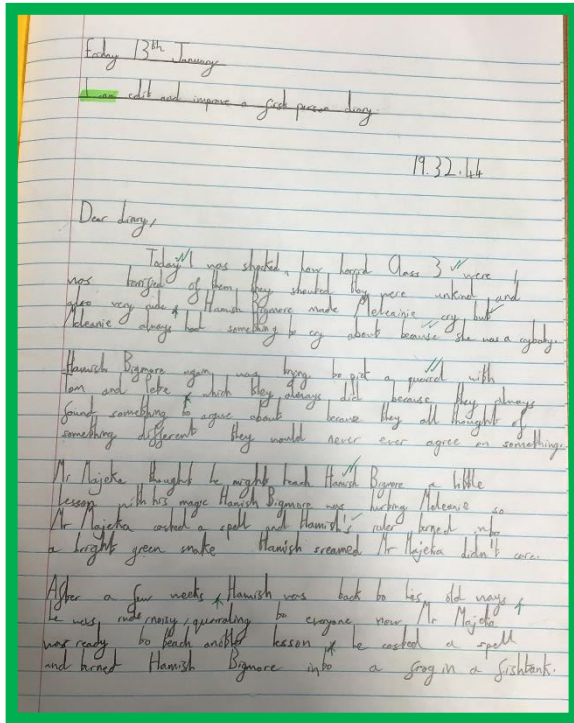

Reception: The children have been designing and creating rockets during enhanced provision this week. They have made some amazing designs!

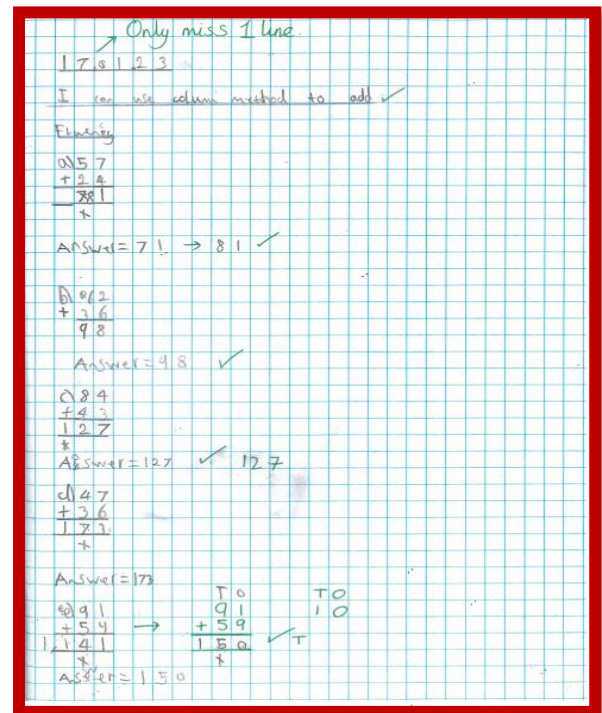

Year 2: Lana is beginning to use sources of evidence to identify the impact that the Great Fire of London had.

Year 1: Philip has been selected for his determination to improve his letter formation.

Year 3: Jacob has created a wonderful edit to his first draft of his diary entry. He has achieved his mechanical pencil because his handwriting has improved greatly. Well done!

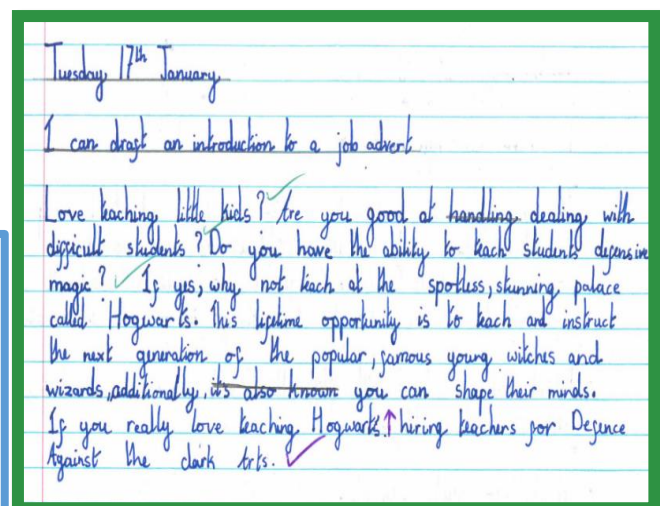

Year 4: Taylor has persevered with his maths work when using the column method to add.

Year 5: Georgia has been practising clay modelling techniques of a statue of Zeus. It's an excellent likeness- Well done Georgia!

Year 6: have been looking at persuasive writing to craft a job advert for a new Defence Against the Dark Arts teacher at Hogwarts. On Tuesday, the children wrote an introduction using rhetorical questions and hyperbole to hook the reader. This is Navpreet's example, where she has shown perseverance by self-correcting her learning throughout!

We are also extremely proud of Henrique in Year 3. He attended a very special ceremony in Stafford earlier this month and was awarded the Golden Ticket! He was the only child in Wolverhampton to receive this amazing prize, so we are incredibly proud of his amazing achievement. Well Done Henrique!
